I am using EMR Software of health gennie since last few years. The software was fully compatible for any pratice and healthgennie team provided all customizations we requested.

Dr. Sunil Kothiwala
Dermatologist

Helath Gennie is a product, which any doctor can use even if he hasn't used any software earlier. Digitization with health gennie has helped me in maintaining the records very easily.

Dr. Prakash Keswani
Endocrinologist

Health Gennie is a very easy to use clinic managment system, which takes care of all the hassles I face while running my clinic.

Dr. Sandeep Nijhawan
Gastroenterologist

My patients love to take online appointments rather than calling us.Health gennie plays a very inportant role in this regard. It gives tremendous convenience to my patients and my staff.

Dr. Anil Kothari
Ophthalmologist
